Subject: Reclamation Contract Required; Marlow Peterson; Open Box Cross #1, #2, #3; S/015/0104; Emery County, Utah

Dear Mr. Peterson:

The referenced Notice of Intention to Commence Small Mining Operations (NOI), received by the Division of Oil, Gas and Mining on November 25, 2015, is complete **with the exception of the requirement to submit an approved reclamation contract.** The Division received your cash reclamation surety for \$1,000.00 and the W9 form. The handwritten reclamation contract does not meet the Division's regulatory requirements. Attached is an approved reclamation contract. Please sign and return the contract by December 31, 2015. No disturbance may be created until the Division receives this contract and issues written approval of the project.

Please contact Wayne Western at 801-538-5263 if you have any questions about the reclamation contract or other aspects of this letter. In reply please refer to file number S/015/0104.

Sincerely,

Paul B. Baker
